We agree with these – also there is quotation mark missing on the second bullet at the beginning of the webinar title in the assistance box. Cindy will put these last four changes into yellow sticky notes and send to design.

Thanks, Anne

Three small edits and then we should be all set!

- Under Upcoming Assistance, first bullet, add p.m after the time
- Under Upcoming Assistance, last bullet, change Town to community
- Annual Report Reminder, add a period after May 1, 2017.

Hi Susy and Fred! Attached is the revision we received moments ago from our design office. I'm in between meetings so haven't had a chance to look at it yet. I know Anne will look through it closely with her team but wanted to give you as much time as possible for your cross-check. Thanks so much!

Take care,

Kristi
